1. Purpose

This policy was written to demonstrate the strong commitment of the Executive Committee, General Committee and volunteers to child safety and establishing and maintaining child safe and child friendly environments.

2. Context

This policy reflects our commitment to provide a safe environment where every person has the right to be treated with respect and is safe and protected from abuse.

It complies with our obligations under the *Children's Protection Act 1993*, including:

- Section 8B – 8D – Child Safe Environments and criminal history assessments for people working with children; and
- Section 11 – Mandatory reporting.

It also complies with the Child Safe Environments: Principles of Good Practice and Standards for dealing with information obtained about the criminal history of employees and volunteers who work with children issued by the Chief Executive of the Department for Families and Communities.

3. Scope

This policy, from the date of endorsement, applies to all employees, volunteers, children, parents, carers and other individuals involved in the organisation.

4. Commitment to child safety (include risk management)

All children who come to Port Noarlunga Football & Sports Club have a right to feel and be safe. We are committed to the safety and well-being of all children and young people accessing our services and the welfare of the children in our care will always be our first priority. We aim to create a child safe and child friendly environment where all children are valued and feel safe.

This policy was developed in collaboration with all our volunteers, the children who use our services and their parents.

5. Children's participation

The Port Noarlunga Football & Sports Club's members and volunteers encourage children to express their views, and make suggestions, especially on matters that directly affect children. We actively encourage children who use our services to 'have a say' about those things that are important to them. We value diversity and do not tolerate any discriminatory practices.

We teach children what they can do if they feel unsafe. We listen to and act on any concerns children, or their parents, raise with us.

6. Recruitment practices

The Port Noarlunga Football & Sports Club takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children. We employ a range of screening measures and apply best practice standards in the screening and recruitment of volunteers. We interview and conduct referee checks on all volunteers who are in regular contact with children.

We conduct criminal history assessment for people working with children, as set out in section 8B of the *Children's Protection Act 1993*. We ensure that criminal history information is dealt with in accordance with the standards developed by the Chief Executive of the Department for Families and Communities.

7. Code of Conduct

All members are made aware of, and must abide by, our Code of Conduct. Our Code of Conduct was developed in collaboration with all our volunteers, the children who use our services and their parents.

8. Support for volunteers

The Port Noarlunga Football & Sports Club seeks to attract and retain the volunteers. We provide support and supervision so people feel valued, respected and fairly treated. We ensure that volunteers who work with children have ongoing supervision, support and training so that their performance is developed and enhanced to promote the establishment and maintenance of a child safe environment.

9. Reporting and responding to suspected child abuse and neglect

The Port Noarlunga Football & Sports Club will not tolerate incidents of child abuse.

All volunteers understand their obligation to notify the Child Abuse Report Line on 13 14 78 as soon as practicable if they have a reasonable suspicion that a child has been, or is being, abused or neglected by a member of their family.

We ensure that volunteers are aware of how to make appropriate reports of abuse or neglect. We also provide opportunities for volunteers to attend an information session on mandatory reporting.

Volunteers must also report to a member of the Executive Committee any reasonable suspicion that a child has been, or is being, abused or neglected by another member or volunteer.

The Port Noarlunga Football & Sports Club may resolve to take protective action to keep the child and others safe.

10. Communication

The Port Noarlunga Football & Sports Club will ensure that everyone to whom this policy applies is aware of and has had an opportunity to read the policy.

We also ask volunteers and parents (where appropriate) to sign a written statement indicating that they have read and will abide by our child-safe policy. We retain a copy of all signed statements.
